Old Time Medley
by Jimmie Davis

You are my sunshine, my only sunshine,
You make me happy when skies are grey
You'll never know dear, how much I love you
Please don't take my sunshine away

The other night dear, as I lay sleeping
I dreamt that you were by my side
Came disillusion when I awoke dear
You were gone and then I cried
You are my

I'll be your sweetheart if you will be mine
All my life I'll be your valentine
Bluebells I've gathered, take them and be true
When I'm a man my plan will be to marry you

Daisy, daisy give me your answer do
I'm half-crazy all for the love of you
It won't be a stylish marriage, I can't afford a carriage
But you'll look sweet upon the seat
Of a bicycle made for two

She was a sweet little dickie bird, Tweet, tweet, tweet she went
Gaily she sang to me 'till all of my money was spent
Then she went away, we parted on fighting terms
For she was one of the early birds, And I was one of the worms

Maybe it's because I'm a Londoner, That I love London Town
Maybe it's because I'm a Londoner
That I think of her wherever I roam
I get a funny feeling inside of me, Whilst walking up and down
Maybe it's because I'm a Londoner
That I love London Town

Any Dream Will Do
by Andrew Lloyd Webber & Jason Donovan

I closed my eyes
Drew back the curtain
To see for certain
What I thought I knew

Far, far away
Someone was weeping
But the world was sleeping
Any dream will do

I wore my coat (I wore my coat)
With golden lining
Bright colors shining
Wonderful and new

And in the east (and in the east)
The dawn was breaking
And the world was waking
Any dream will do

A crash of drums, a flash of light
My golden coat flew out of sight
The colors faded into darkness
I was left alone

May I return (may I return)
To the beginning
The light is dimming
And the dream is too

The world and I (the world and I)
We are still waiting
Still hesitating
Any dream will do

Lily The Pink by The Scaffold

Chorus

We'll drink a drink, a drink
To Lily the Pink, the Pink, the Pink
The savior of the human race
For she invented medicinal compound
Most efficacious in every case

Mr. Freers had sticky out ears
And it made him awful shy
And so they gave him medicinal compound
And now he's learning how to fly

Chorus

Brother Tony was known to be bony
He would never eat his meal
And so they gave him medicinal compound
Now they move him round on wheels

Chorus

Old Ebenezer thought he was Julius Caesar
And so they put him in a home
Where they gave him medicinal compound
And now he's emperor of Rome

Chorus

Aunty Milly ran willy-nilly
When her legs they did recede
And so they rubbed on medicinal compound
Now they call her Milly Pede

Chorus

Jennifer Eccles had terrible freckles
And the boys all called her names
But she changed medicinal compound
Now he joins in all the games

Chorus

Somewhere Over the Rainbow
by Judy Garland

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then, oh, why can't I?

The Lion Sleeps Tonight
by The Tokens

Weeheeheehee dee heeheeheehee weeoh aweem
away

Weeheeheehee dee heeheeheehee weeoh aweem
away

In the jungle, the mighty jungle
The lion sleeps tonight
In the jungle the quiet jungle
The lion sleeps tonight

Near the village, the peaceful village
The lion sleeps tonight
Near the village, the quiet village
The lion sleeps tonight

Hush, my darling, don't fear, my darling,
The lion sleeps tonight
Hush, my darling, don't fear, my darling,
The lion sleeps tonight

She'll Be Coming round the mountain
by Pete Seeger

She'll be coming round the mountain when she
comes

She'll be coming round the mountain when she
comes

She'll be coming round the mountain,
Coming round the mountain
Coming round the mountain when she comes

Singing aye aye yippee yippee aye

She'll be driving six white horses when she comes

She'll be wearing pink pyjamas when she comes

Oh we're gonna have a party when she comes

Wild Rover
by The Pogues

Chorus

I've been a wild rover for many a year
And I've spent all my money on whiskey and beer
And now I'm returning with gold in great store
And I never will play the wild rover no more

And it's no, nay, never, No, nay, never, no more
And I'll play the wild rover, No never, no more

I went into an alehouse I used to frequent
And I told the landlady my money was spent
I asked her for credit, she answered me, "Nay"
Saying, "Custom like yours, I can have any day"

Chorus

I took from my pocket ten sovereigns bright
And the landlady's eyes opened wide with delight
She said, "I have whiskeys and wines of the best
And the words that I told you were only in jest"

Chorus

I went to my parents, confessed what I've done
And ask them to pardon their prodigal son
They hugged and carressed me as oft-times
before
I never will play the wild rover no more

Chorus

The National Anthem

God save our gracious Queen,
Long live our noble Queen,
God save the Queen!
Send her victorious,
Happy and glorious,
Long to reign over us,
God save the Queen!

A Huge thank you to everyone that has sponsored this event, without your help it could not go ahead
